SUBJECT: Mahoning Creek Dam, Armstrong County, Pennsylvania - Request for Approval of Modification and Alteration of Mahoning Creek Dam for the Addition of Non-Federal Hydropower pursuant to 33 U.S.C. 408

3. The project review plan has been revised to require continuation of the Independent External Peer Review (IEPR) through construction and commissioning. At the end of the construction and commissioning phases, the IEPR panel shall certify that the project is safe to assume normal operations. The IEPR panel must provide a letter report to USACE each time it convenes.

4. The district will prepare a new unsigned FONSI, consistent with guidance from Appendix G of ER 1105-2-100. A new FONSI will incorporate any needed updates.

5. I approve the requested modification and alteration of the Mahoning Creek Dam, Armstrong County, Pennsylvania, for the addition of non-Federal hydropower facilities, FERC Project No. P-12555, pursuant to 33 U.S.C. 408.

STEVEN L. STOCKTON, P.E.
