Suncook River Nomination

New Hampshire Rivers Management & Protection Program

Managed Resources

Data Sources: Dam Sites (2011) and Registered Water User Data (2012) from NH Department of Environmental Services; 2011 Roads data from NH Department of Transportation; Surface waters from the NH Hydrography Dataset via NH GRANIT; 2002 watershed boundaries from USDA Natural Resource Conservation Service/NH Department of Environmental Services via NH GRANIT; Town boundaries from NH GRANIT; River classifications and corridor from CNRRPC.

This map is intended for planning purposes only. Map produced in March 2012 by the Central New Hampshire Regional Planning Commission for the Suncook River Nomination Committee.

- Legend**
- Green line: Suncook River Corridor
 - Blue line: Suncook River Subwatershed
 - Purple square: USGS Stream Gage Site
 - Dam Sites**
 - Green triangle: Hydro-power Dam
 - Red triangle: Active Dam Site
 - Blue triangle: Dam Inactive, Breached, or in Ruins
 - Black triangle: Dam Removed
 - Water Withdrawals and Discharges**
 - Green triangle: Discharge to Suncook River
 - Red triangle: Other Discharge in Corridor
 - Blue circle: Suncook River Water Withdrawal
 - Red circle: Other Withdrawal in River Corridor
 - Black circle: Inactive Suncook River Discharge Facility
 - Blue circle: Inactive Suncook River Water Withdrawal
 - Red circle: Other Inactive Water Withdrawal in River Corridor
 - Proposed River Classifications**
 - Blue circle: Community
 - Green circle: Rural-Community
 - Red circle: Rural
 - Blue circle: Lakes and Ponds
 - Green circle: Rivers and Streams
 - Red circle: Interstate
 - Blue circle: Class I, II, IV State Highways
 - Green circle: Class V Town Maintained Roads
 - Black square: Town Boundary
