Re: L.P. No. 3185-NH, Pembroke Generating Station  
(a) 2012 Minimum Flow Compliance  
(b) 2012 Emergency Action Plan (EAP) Exemption

Dear Mr. Cross:

The following information is provided pertaining to the above referenced generating station:

- a. 2012 Minimum Flow - the operator has notified this office that the minimum flow has been in compliance for the 2012 calendar year. This statement is true and correct, to the best of the undersigned's knowledge and belief.
- b. EAP exemption - the operator has communicated to this office that there have been no upstream or downstream changes that affect the hazard classification for this facility. This statement is true and correct, to the best of the undersigned's knowledge and belief.

Should you have any questions pertaining to the above, please feel free to contact the undersigned at 905-465-4555.

Regards,

Armando Sanchez, P.Eng.
