

CRESCENT PROJECT

LIHI APPLICATION

ATTACHMENT #11

AGENCY CONTACTS

Contacts for Resource Agencies and non-governmental organizations.

Caleb Slater, PhD

Anadromous Fish Project Leader

Massachusetts Division of Fisheries and Wildlife

100 Hartwell Street, Suite 230

West Boylston MA 01583

(508) 389-6331

email: [caleb.slater@state.ma.us](mailto:caleb.slater@state.ma.us)

LPC maintains contact with Mr. Slater and works closely with him to support fish stocking activities and will consult with him during the future eel passage installation activities.

Melissa Grader

US FWS/New England Field Office

c/o CT River Coordinator's Office

103 East Plumtree Road

Sunderland, MA 01375

413-548-8002, x124

email: [melissa\\_grader@fws.gov](mailto:melissa_grader@fws.gov)

LPC maintains regular contact with Ms Grader to obtain status reports for resource needs at the Project.

Mr. Robert Kubit

Massachusetts Department of Environmental Protection

Central Regional Office

Division of Watershed Management

67 Main Street, 2nd Floor

Worcester, MA 01608

(617) 626-1700

email: [robert.kubit@state.ma.us](mailto:robert.kubit@state.ma.us)

LPC maintains limited contact with the DEP and anticipates that future contact will be limited to construction related permitting and activities. LPC consulted with Mr. Kubit during preparation of the LIHI application and worked with him to collect water quality sampling data in support of the application.

Russ Cohen  
Massachusetts Department of Fish and Game  
MassRiverways  
251 Causeway Street, Suite 400  
Boston, MA 02114-2152  
(617) 626-1543  
email: russ.cohen@state.ma.us
