Dear Mr. Boeri:

We have reviewed the information provided in your February 28, 1984, letter regarding the Application for a Minor License for the Martinsville Hydro Project on the Lulls Brook in Windsor, County, Vermont. It does not appear that the proposed hydroelectric project will significantly affect resources for which the National Marine Fisheries Service is responsible. Therefore, we have no comments at this time.

Sincerely,

Bruce E. Higgins
Acting Branch Chief
