

# LIHI

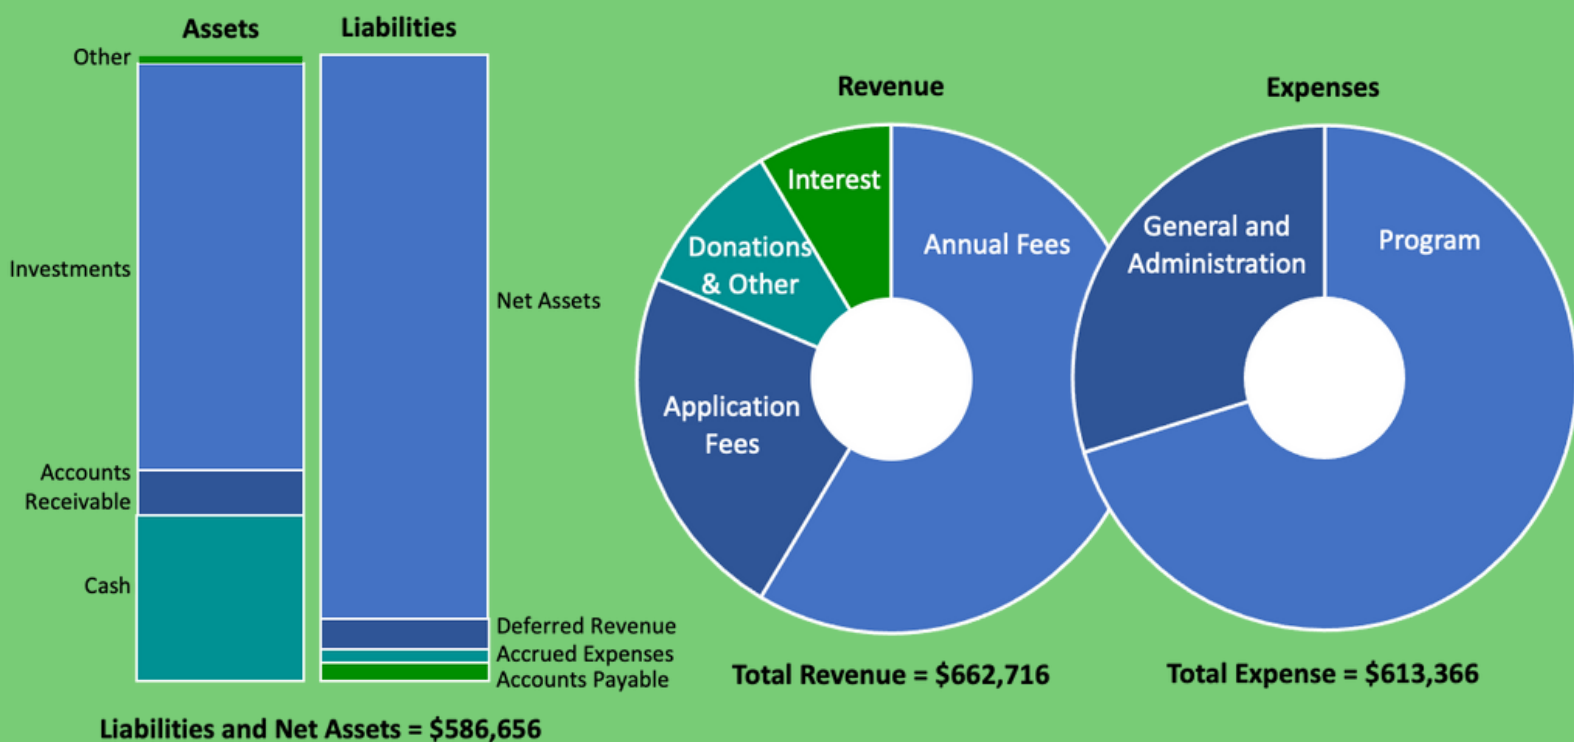

## ANNUAL REPORT FOR 2022

# FINANCIAL OVERVIEW

LIH's financial position continued to solidify in 2022 with assets increasing by 7.7% over 2021. Revenue decreased by 6% which was anticipated and primarily due to the extension of certificate terms which went into effect on January 1st, 2022. All details can be found in our 2022 audited financial reports available on our website.
